

Choose the learning mode that's right for you. Decision Focus comes in multiple learning formats so you can tailor the learning to your specific needs and wants. Each option comes with a complete set of Decision Focus 6.0 Software and support materials to help you get immediate payoff from the powerful Decision Focus tools and processes.

THE 'TRADITIONAL 2-DAY CLASSROOM' FORMAT combines a minimum amount of pre-class work with extensive learning and application during a live, face-to-face event. Use our consultants or your certified trainers to facilitate the workshop. This is the format that thousands of professional world-wide have used to learn the powerful Decision Focus principles and tools. Under this format, you'll learn Decision Focus and immediately apply it to actual problems, decisions and projects you face on the job. You will also learn how to use the new Decision Focus 6.0 Learning and Performance Software so you can put it to work immediately upon returning to the job.

THE 'WEB CLASS' FORMAT provides live instruction and interaction, but you attend in the convenience of your office or home. All you need is a telephone and high speed internet connection. During the Decision Focus web class, you'll learn the core concepts and principles of the Decision Focus approach, and the framework and steps of each Decision Focus process. You'll also learn how to recognize and deal with the four major problem solving situations for every professional. Plus, you'll get valuable tips on how to get the most from your Decision Focus 6.0 software. The resource package includes the Decision Focus Concepts Guide and Workbook, a Decision Focus 6.0 Software license, Decision Focus job aids and more.

CHOOSE THE 'SELF STUDY' FORMAT if you prefer to learn and apply Decision Focus without attending a workshop or group application session. The 'Teach Yourself Decision Focus' self-study kit contains Decision Focus 6.0 Software plus everything you'll need to hone your skills through multiple practice activities and exercises. Learn and master Decision Focus at your own pace. Plus, connect with a Decision Focus Coach to get real-time help anytime you need it!
